Thank you for your interest in supporting the **Northern Virginia Therapeutic Riding Program**, where children and adults with disabilities, youth-at-risk, and recovering military service personnel benefit physically and mentally from riding and working with horses. The auction is an important part of our Ride to Thrive Polo Classic, NVTRP's largest fundraiser of the year. We are grateful for community members like you, who donate items to help make it possible for people with disabilities to experience the numerous physical and mental benefits of riding a horse. Thank you!
