

In light of COVID-19, NVTRP has taken multiple measures to ensure the safety of our Polo Classic guests while preserving a festive atmosphere.

These include limiting the number of guests, providing individually packaged gourmet picnics, and creating multiple 50-person “mini-events,” within the main event, each with its own bar, restroom, and designated space.

THERAPEUTIC RIDING PROGRAM

RIDE *to* THRIVE POLO CLASSIC

SPONSORSHIP OPPORTUNITIES

RIDE TO THRIVE POLO CLASSIC

The Ride to Thrive Polo Classic is a lovely afternoon of polo, food, wine, beverages, entertainment and auctions in the Virginia countryside. NVTRP’s largest annual fundraiser, the Polo Classic raised over \$220,000 in 2019, with over **500 people in attendance**.

In addition to the promotional and marketing benefits, many sponsors enjoy the opportunity to host clients and employees at the Polo Classic. Sponsorships range from \$1,000-\$10,000, which include tickets to the event, a reserved seating location and a variety of promotional benefits.

Founded 40 years ago, NVTRP provides equine-assisted activities to hundreds of people with disabilities, recovering military personnel, and youth-at-risk, with the goal of helping each rider reach his or her fullest potential. Each week, over 130 riders come to NVTRP’s 17-acre farm in Clifton, VA to ride and pursue a range of physical, emotional and social goals, such as:

- Gaining the core strength needed to sit independently
- Overcoming debilitating anxiety
- Learning to interact with peers appropriately
- And, perhaps most importantly, having fun and basking in a sense of possibilities

Our donors’ generous support means that military riders and at-risk youth ride at NVTRP at no cost to themselves, and other riders pay fees equal to one third of the actual cost of their lessons.
